INFORMATION DISCLOSURE STATEMENT TRANSMITTAL

Commissioner for Patents:

In accordance with 37 CFR 1.56 and 1.97 through 1.98, applicants wish to make known to the U.S. Patent and Trademark Office the references set forth on the attached Information Disclosure Statement. Copies of cited U.S. patents and published patent applications are not required and accordingly have not been provided. Copies of any other cited references are enclosed. As to any reference cited, applicants do not admit that it is “prior art” under 35 U.S.C. §§ 102 or 103, and specifically reserve the right to traverse or antedate any such reference, as by a showing under 37 CFR 1.131 or other method. Although the aforesaid references are made known to the Patent and Trademark Office in compliance with applicants’ duty to disclose all information they are aware of which is believed relevant to the examination of the above-identified application, applicants believe that their invention is patentable.

Applicants note that reference AC (EP 0 464 533 B1) on page 2 of the attached citation listing is not written in English. Accordingly, Applicants direct the Examiner's attention to the attached corresponding abstract, which is written in English and provides the relevancy of this reference.

Applicants note that reference AE (JP 62-201582) on page 2 of the attached citation listing is not written in English. Accordingly, Applicants direct the Examiner's attention to the attached corresponding Patent Abstracts of Japan, which is written in English and provides the relevancy of this reference.

Applicants note that reference AF (KR 10-0249572 B1) on page 2 of the attached citation listing is not written in English. Accordingly, Applicants direct the Examiner's attention to the attached corresponding abstract of European patent number 0 464 533 B1, which is written in English and provides the relevancy of this reference.

Applicants note that reference AG (KR 10-0316347) on page 2 of the attached citation listing is not written in English. Accordingly, Applicants direct the Examiner's attention to the attached corresponding abstract, which is written in English and provides the relevancy of this reference.

Applicants note that reference AH (KR 2003-0009464 A1) on page 2 of the attached citation listing is not written in English. Accordingly, Applicants direct the Examiner's attention to the attached corresponding Korean Patent abstract, which is written in English and provides the relevancy of this reference.

Please acknowledge receipt of this Information Disclosure Statement and kindly make the cited references of record in the above-identified application.

Applicants believe this Information Disclosure Statement has been timely filed, however, the Director is authorized to charge any fee due by way of this Information Disclosure Statement to our Deposit Account No. 19-1090.

Respectfully submitted,
